SUBJECT: Centrex Downtown Sacramento Rate Reduction

On behalf of State agencies, the Office of Technology Services CALNET Program has negotiated a rate reduction specifically for AT&T Centrex services provided through State owned infrastructure. This rate reduction will affect approximately 35 thousand Centrex users located throughout the downtown Sacramento area and will lower CALNET 3 Centrex service rates to match CALNET 2 rates.

Customers receiving rate reductions will automatically see a reduced price on their CALNET 3 AT&T Centrex bill effective as of the August 2014 customer billing date.

To confirm if your Centrex service is utilizing the state owned infrastructure, please contact your designated AT&T sales representative.

For all other questions regarding this ATR Bulletin please contact a CALNET Customer Support Unit (CCSU) representative at (916) 657-9150, or email us at CCSU@State.ca.gov.
