SUBJECT: AT&T Centrex Statewide Rate Reduction with a Duration Individual Price Reduction (IPR)

This is to inform CALNET 2 Centrex customers that AT&T is offering a Duration Individual Price Reduction (IPR) to lower CALNET 3 Centrex service rates to match CALNET 2 rates. If customers choose to use this option they will be subject to a two year commitment through January 29, 2016.

To learn more about Duration IPRs refer to the CALNET 3 Business Requirements, Section A.7- Individual Pricing Reductions (IPR) located on the Office of Technology Services website: <http://www.dts.ca.gov/pdf/stnd/IFBSTPD12-001Addendum9.pdf>.

To exercise this option, contact your designated AT&T sales representative and request a Duration IPR for Centrex services. If you are a CALNET Centrex customer in the downtown Sacramento area you may already be entitled to recently lowered Centrex rates and should refer to *ATR Bulletin 14-11-Centrex Downtown Sacramento Rate Reduction*.

If you have questions regarding this ATR Bulletin, please contact a CCSU (CALNET Customer Support Unit) representative at (916) 657-9150, or email us at CCSU@State.ca.gov.
